

W. A. Pattillo High School National Alumni Association, Inc.

Hall of Fame, Meritorious Service and Distinguished Service Awards Program

Revised 9/7/21

The Awards Program

The W. A. Pattillo High School National Alumni Association was the vision of graduates Nathan Lewis, William Boyd, Rayfield Perkins, and George Worsley. In 1981, former students of Tarboro Colored High, W. A. Pattillo High and Princeville Elementary Schools gathered for the first reunion of the Alumni Association. After the first reunion, more supporters came. Nathan Lewis served as interim National President.

Each year, the Alumni Association honors outstanding and deserving alumni, community members, organizations and groups. They represent, through their personal and professional accomplishments, the lasting value of the W. A. Pattillo and Princeville Schools and W. A. Pattillo High School National Alumni Association. The awards are presented at the Annual Fellowship Brunch and the Annual Reunion.

The following is a list of W. A. Pattillo High School National Alumni Association's awards strata and the individual awards. All Alumni Association members, as defined by the Bylaws, are eligible and encouraged to submit nominations. Nominations should be submitted no later than May 1st annually for guaranteed review. However, nominations will be accepted any time of the year.

The Alumni Association presents awards in three strata which are Hall of Fame Awards, Meritorious Awards and Distinguished Awards. The recipient will be selected without regard to race, sex, color, creed, religious preference, age, national origin or disability. Posthumous awards will be given during a cycle of awards if permitted by the criteria in a number to be determined by the committee.

The Awards are defined as follows:

- Hall of Fame Award recognize alumni who demonstrated a history of career achievement and sustained commitment to academics, sports, band and chorus activities and the arts while enrolled as a student in high school. The attainments of the individual after leaving high school have no merits in the selection of the individual for the Hall of Fame Award. Currently the area of academics is receiving no further nominations and inductions and the individuals who were previously inducted into an Academic Hall of Fame will be recognized. The Hall of Fame awards program does display a scroll of valedictorians from the years 1924 to 1970.
- Meritorious Service Awards are presented to individuals or groups who have a record of significant contribution to the W. A. Pattillo High School National Alumni Association and the local communities. They, too, would have demonstrated outstanding service in enabling the Association to attain the objectives for which it was founded. The three awards in this stratum are the Trojan Award, the Community Trailblazers Award and the Association Superior Service Award
- Distinguished Awards are presented to individuals in recognition of exceptionally outstanding service or achievements of marked national and/or international significance. It recognizes the nominee's achievements in the years since graduating from high school to include their achievements and ongoing contributions to the world community. Specifically, significant identifiable services rendered to mankind and communities are considered as well as the applicant's deportment as an inspirational role model for the members of the W.A. Pattillo High School National Alumni Association, Inc. The two awards in this stratum are the Founders Award and the Distinguished Graduate Award.
