

Message from the Archives Committee

The Alumni Archives Committee wants to continue collecting, recording, and preserving the history of our school and the alumni. The committee wants to preserve and continue to record its history. The Archives Committee is looking for persons to join our committee in the preservation of our history.

If you are in the possession of report cards, certificates, and many other handwritten items, please share. We can copy and/or scan so that you can continue have the items in your possession.

Those interested in joining the committee and/or contributing items, you may contact the Archives Chair.
