

RESILIENCE WHEN WE NEEDED IT MOST

2022 ~ ANNUAL REPORT TO MEMBERS

W. A. Pattillo High School National Alumni Association, Inc.

**Post Office Box 601
Tarboro, NC 27886**

A Message from the Interim National President

Greetings My Fellow Alums and Friends,

It is my pleasure to report to you that the 2022 Association Year has been a successful and productive year. The board made the cogent and definitive decision on March 1, 2022, to cancel our 2022 Annual Reunion because we had the welfare of all individuals at

heart, knowing too that such a gathering could endanger health and welfare. Further, we knew that environmental situations would not allow us to provide to full fruition the type of reunion activity that we were so accustomed to. But we found ways this year to overcome some of the ills of the pandemic and the inability to fully conduct all our programs and activities.

Our success comes because a cadre of directors, officers, chairs, and committee members who, too, have been to the mountain top and seen the ghosts of a thousand Trojans “beckoning them on as knights of old.” Also, a swell of you have listened and heard our hewn cry for support this year and lifted our spirits with your support, encouragement, and faith in us.

This report will highlight those areas where we have experienced humongous success and growth and will also catalog areas where we wish to grow in the days and years to come. When you read this report you will see that we have climbed the hill that was in front of us and you will know that as thankful as we are for your financial and spiritual support, will need your faces in the arena marred with the sweat and toll of participation if we are to keep this flaming fire – the W. A. Pattillo High School National Alumni Association - from becoming a flickering flame.

It is with heartfelt emotion that I thank you for all that you have done in support of the Association. Equally so, you have my thanks for the decade of support that you have given to this little Black boy who played on Panola Street, walked the halls of Pattillo School and passed through the portals of W. A. Pattillo High School. Yes, a little school, in a little community, in a little town that gave so much to so many.

Sincerely,

Fred S. Wood, Jr., Ed. D., '62

Resilience When It Matters: "Because of You"

- Janette Williams Pettaway '66

Alumni, Members and Friends:

It is with *profound* gratitude and a humble spirit that we say "Thank You" for your commitment and continued support of our beloved alma mater. Particularly during this COVID crisis, the love you have shown and the generosity you have given to our organization, the W.A. Pattillo High School Alumni Association, are immeasurable. Your credibility speaks for itself.

"Faith without works is dead." This is true. You have entrusted us as the gatekeepers of your finances, and your contributions have been significant. This year alone, we have raised over \$10,000 toward our general fund, the *same* toward our scholarships and established endowments; and our membership has increased substantially. Over the years, we have recognized and featured some of Pattillo's most distinguished graduates, acknowledged our centenarians and trailblazers, paid homage to our teachers & mentors, memorialized our fallen, honored our veterans, and celebrated you. We have brought you such fine programming as the concerto, *"My Soul is a Witness: Spirit and Spiritually in the Songs of America's Enslaved,"* the virtual presentation, *"Amazing People with Pattillo Roots,"* and, from year to year, our much-anticipated stellar reunions.

Accompanying this Annual Report, this administration has worked arduously and meticulously to provide you a fair representation of the fiscal analysis for year-end 2022. We thank you for allowing us the privilege to serve you -- something we don't take lightly. We want to ensure that there remains an element of transparency in the performance of our duties as we continue in our pursuit to promote academic excellence in our youth, to inspire others, and to build a stronger community amongst ourselves.

Steeped in the proud tradition of raising the bar in our quest to preserve the rich legacy of the W.A. Pattillo High School, we thank you again for your support and encourage you to continue on this journey with us.

"In Unity There Is Strength!"

Membership in an organization is one of the things that defines a person's zeal and enthusiasm for the organization. It is important to support the advancement of one's organization and becoming a member is a part of that advancement.

The responsibility of the committee is to promote membership growth and retention in the Association; maintain and update an official and central database; maintain membership files of all types of membership including paid memberships, expired memberships, honorary memberships, and any other categories of membership. The Committee Members are:

Day-to-day administrative functions are the responsibility of the officers and are supported from membership dues and fundraising efforts. In the Association we have five categories of membership: Annual (\$25), 5 -year sustained (\$85), Senior (ages 75 -79, \$20) Life (Former teachers of Pattillo and Princeville School to 1970, \$0) and Alumni/Members 80 plus years of age and older, \$0). The committee has given all members a Christmas Card, and until the hiatus from the Pandemic, every person who joined the Association was given a Stylus Pen.

Since our May 2020 announcement regarding the cancellation of our Annual Reunion, the Committee and Association were very pleased with the response of the alumni to our solicitation efforts, specifically to those seeking membership. Over this period, we have obtained \$5,628 in membership fees. We presently have a listing of 158 members as distributed below with the names printed on the following pages.
